Conducerea Universității de Medicină și Farmacie

Târgu Mureș

Parlamentul României, adoptând noua Lege a învățământului, a legiferat posibilitatea înființării unor grupe, secții, facultăți și colegii în limba minorităților lingvistice în instituțiile de învățământ superior existente. Astfel se creează cadrul adecvat pentru organizarea și dezvoltarea învățământului superior în limba minorităților naționale.

Semnatarii prezentei cereri solicită următoarele:

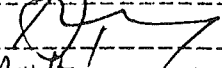

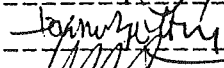

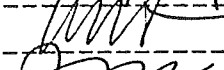

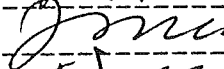

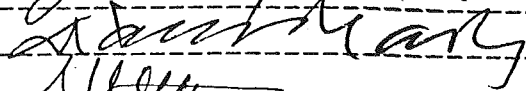

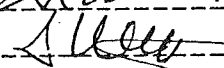

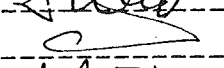

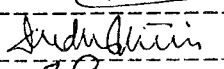

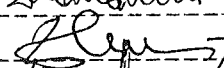

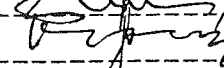

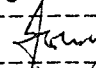

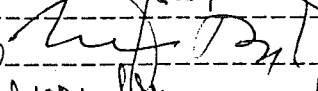

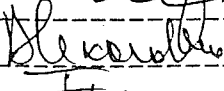

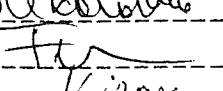

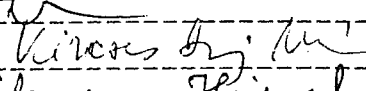

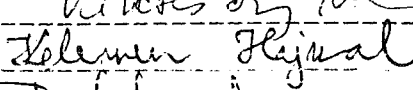

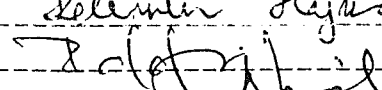

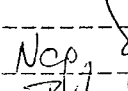

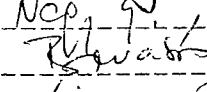

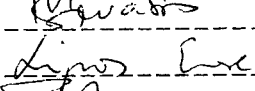

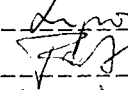

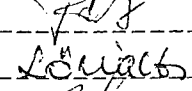

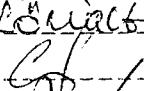

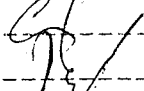

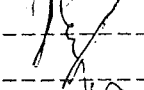

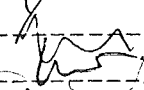

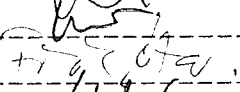

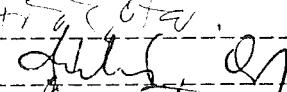

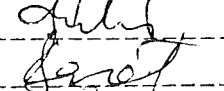

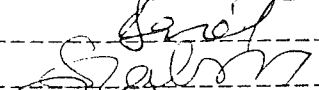

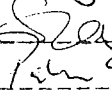

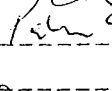

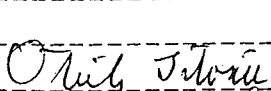

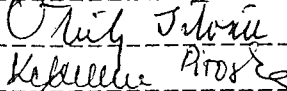

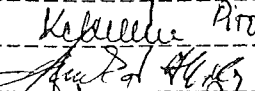

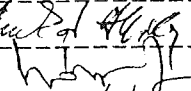

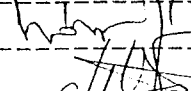

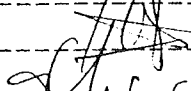

1. Declararea oficială a caracterului bilingv a Universității de Medicină și Farmacie din Târgu Mureș.
2. Instituționalizarea învățământului bilingv prin înființarea Secției cu limbă de predare română și a Secției cu limbă de predare maghiară.
3. Secțiile să cuprindă facultăți și colegii în limba de predare respectivă.
4. Fiecare secție să aibă putere de decizie în problemele specifice legate de învățământul în limba respectivă.
5. Modificarea Cartei Universitare în spiritul cerințelor de mai sus.

Rugăm Conducerea să introducă prezenta cerere în ordinea de zi a proximei ședințe de Senat, din luna noiembrie.
